

Standard Login Instructions

Welcome to KIDaccount!

To access the login page, you will need to open your school's URL. It is typically your district name. Please check with your administrator or another staff member for the exact address.

Once you access the site you may save it to your favorites for instant access. *Note:* If logging in with IOS (iPhone, iPad) always use the Safari browser.

To login into KIDaccount through the standard process you will need credentials with a temporary password. This will either be emailed to you or offered to you for administration.

Go to your Chrome or Safari internet browser and key in the following link to go to your login page. <https://kidaccount.net/districtname>. Then follow steps 1,2 and 3.

1. Enter your username: First initial and last name without any spaces.

Example: Jane Doe = jdoe

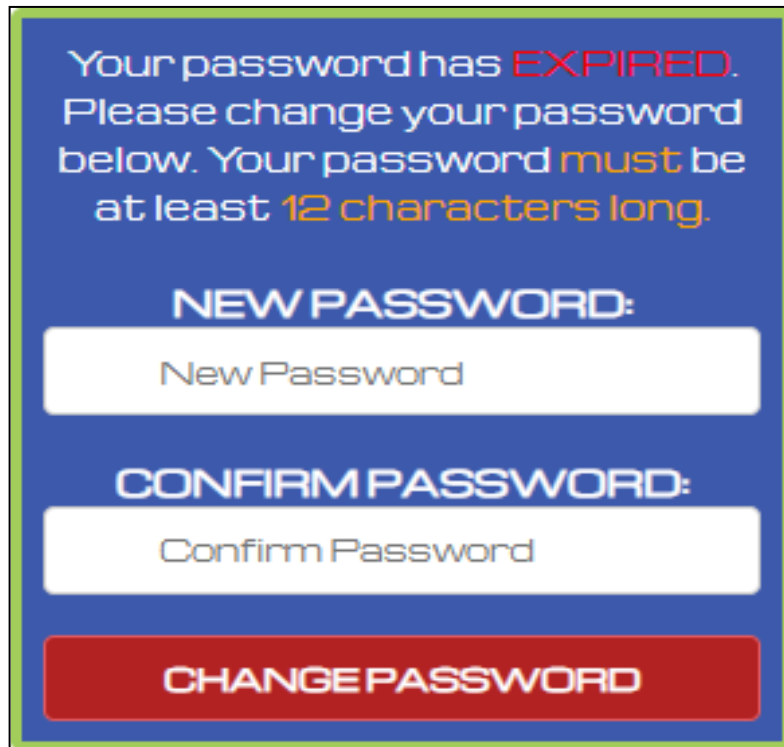

2. Enter your password in the password fields and select Login.

The screenshot shows the KIDaccount login interface. At the top is the KIDaccount logo, which consists of three stylized human figures in blue, orange, and yellow arranged in a circle around the text "KIDaccount". Below the logo, the text "Development Release" is displayed. There are two input fields: "Username" and "Password". Below these fields is a grey "Login" button. At the bottom, there are two additional login options: a "Sign in" button with a Google logo and a "Log in with Clever" button with a Clever logo.
