On the next page, KIDaccount will ask you to type in a 12-digit password. Please note that this password is for KIDaccount only. This will not affect your Google password.

Time to Update Your Password

If you're a user of Google, Microsoft, or Clever to sign in, no worries—continue to use them like always. This new password is just your backup plan for those rare times those services might be unavailable.

And for our friends who aren't using those SSO services, this will be the new password you'll use from now on. Pretty important, right?

One last thing: please select your primary school from the dropdown menu. This helps us keep things smooth and personalized for you.

Please choose a new password that is at least 12 characters long.

The screenshot displays the KIDaccount Administration interface. At the top left, there are 'Home' and 'Back' navigation buttons. The KIDaccount logo is centered at the top, and a 'Sign Out' button is in the top right corner. Below the navigation bar, the word 'Administration' is centered. A row of five icons represents different administrative functions: 'Reports' (bar chart), 'Manage Staff' (two people), 'Adv. Settings' (gear), 'Daily Announcements' (megaphone with 'ANNOUNCE' text), and 'Hall Monitor' (monitor with 'Hall Monitor' text). The 'Hall Monitor' button is highlighted with a blue border, and a grey arrow points to it from the right.
